Greetings Pastors, Superintendents, and Fellow Christian Workers

Subject: **Sumter Baptist Congress of Christian Education Spring 2023 Institute**

The Sumter Baptist Congress of Christian Education Spring 2023 Institute is now approaching.

**The 2023 Spring Institute will be held virtually March 6-8, 2023.**

It is that time of year again where we usually assemble ourselves for Christian Education. However, due to the Pandemic we will not have face-to-face classes for the 2023 March Spring Congress Institute.

We are looking forward to having a wonderful time in the Lord.  
We are offering two (2) virtual classes.

Attached please find a **Church Registration Form** with the class information. My prayer is that you will have a life-changing experience on March 6-8, 2023, a change that will exalt God and bring you to a higher level of worship.

In the Name of the Living Savior
